

Why Us ?

IF you are looking for a Torah based profession which will help bring to your family a parnassa bekvod,

IF you seek a wonderful profession that will bring satisfaction into your life,

IF you aspire to do mitzvot and love to help the needy and your fellow man,

IF you want to study in an atmosphere of spiritual attainment!

We're offering you an opportunity to reach your goal by studying and becoming a professional nurse!

The Academic Tessler School of Nursing, part of **Sanz Medical Center, Laniado Hospital, Netanya, Israel,** offers that rare opportunity to eligible candidates who speak Hebrew, to study nursing in a "heimishe", pleasant and comfortable environment, under reliable Halachic supervision. The Length of the program is 8 semesters. Students who fulfill all the program requirements and pass the national exam receive a BSN from the Ruppin Academic Center and a RN license by the Israeli Ministry of Health. An American nursing license also can be acquired upon completion of the NCLEX RN exam taken in Eretz Yisroel or in the U.S. Scholarships as well as supervised dormitory facilities are available.
